### JACKSON PUBLIC SCHOOL DISTRICT

Jackson, Mississippi Date: February 19, 2019

#### Board of Trustees Jackson Public School District Jackson, Mississippi

Ladies and Gentlemen:

Presented for your review on the attached page(s) are the bid tabulations for the formal bid proposals which were received in response to the bid solicitations indicated below. Bids were publicly advertised and opened according to all legal requirements (Mississippi Code of 1972, §31-7-13). All bids were tabulated, analyzed and based upon compliance with the specifications; the "lowest and best" bids were determined. Recommendations concerning the award of bids received for each bid category are contained on the attached page(s). Please consider recommendations for the following:

Bid Number	Opening Date	Bid Name
Re-Bid 3082	01-16-19	Food Service Warehouse Food Products

# Information about the Content and Formatting of the Attached Bid Tabulation Sheet(s)

Pursuant to the legal requirements as outlined in the Mississippi Code 1972, Annotated, §31-7-13(d), all bid proposals received were compared to the written bid specifications and the recommendation to purchase or for rejection is indicated on the following pages, as per the manner prescribed below.

#### **Recommendation to Purchase:**

The recommendation to purchase from or award a contract to any vendor, is indicated on the attached tabulation sheet(s) by placing "Low Bid" to the right of the vendor's name/pricing and bolding the information.

### Rejection of an Item or an Entire Bid:

The law requires that the District clearly state why in each instance that the lowest bid received is not the recommended "lowest and <u>best</u>" bid. The specific reason that an item or service, or a vendor's entire bid proposal, must be deemed "irregular" or "non-compliant" with the written bid specifications and therefore cannot be recommended for purchase, is indicated on the attached tabulation sheet(s) by drawing a line through the vendor's name/pricing and indicating the rejection reason beside the item.

## Unit Price Differences Between the Lowest and the "Lowest and Best" Bid:

The unit price of all items is indicated and a difference between the bid unit price of the proposed item being rejected and the unit price of the item beit pr a l2. d f([)a.P <</o41m oTc
