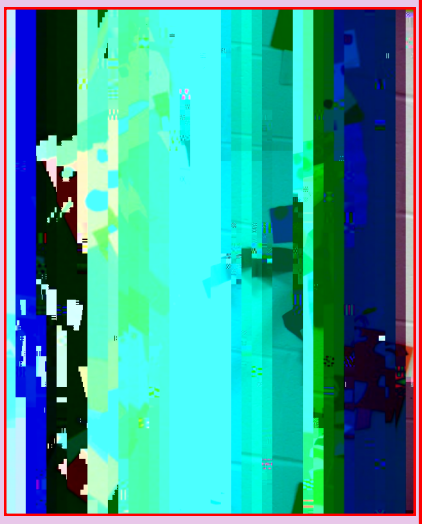
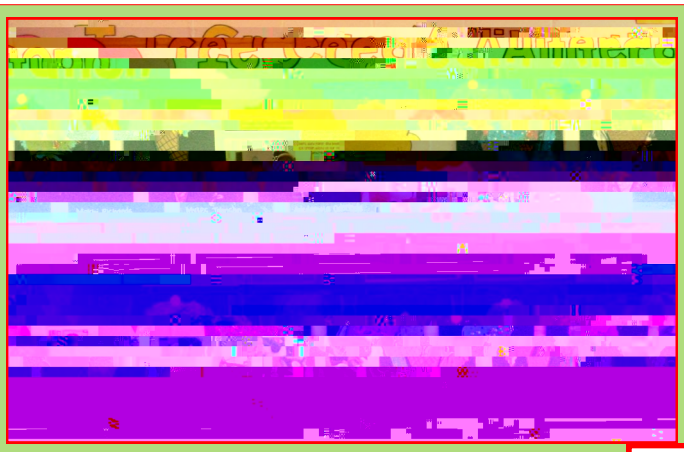
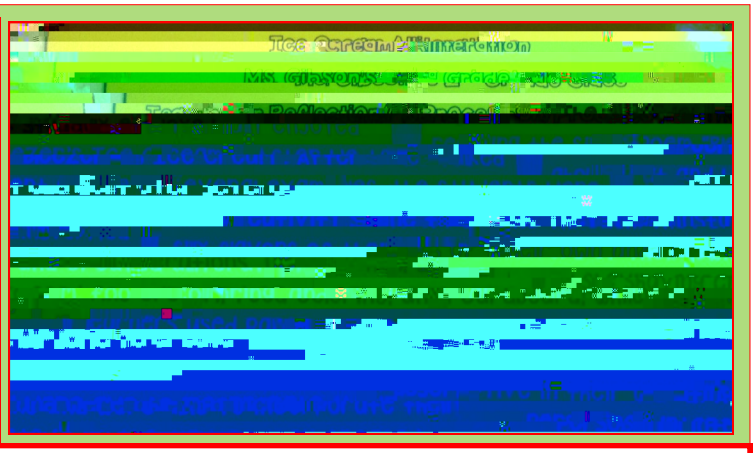
On Friday, March 13, our Casey students enjoyed an a f ernoon of arts-integrated ac t vi t es across the school, including our virtual students working from home.

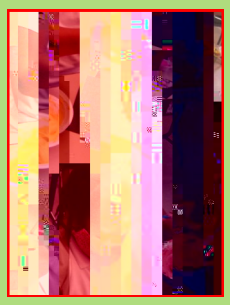
Kindergarteners have learned about famous Americans like Mar t n Luther King, Jr., George Washington Carver, and others . They drew portraits of these famous people and wrote sentences about them.

First Graders have made pictures of Shape People and images of numbers using di ferent shapes to show place value. One class made edible art by pain t ng on cookies!

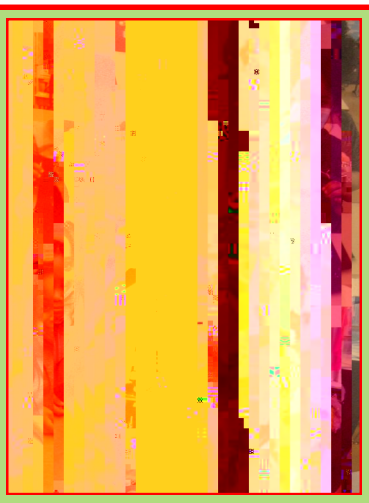


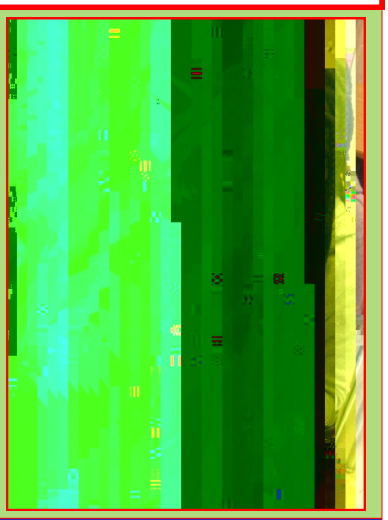


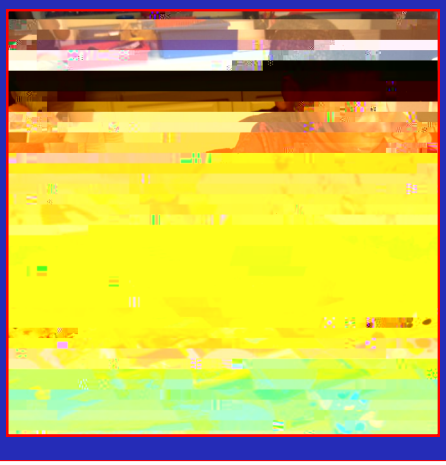


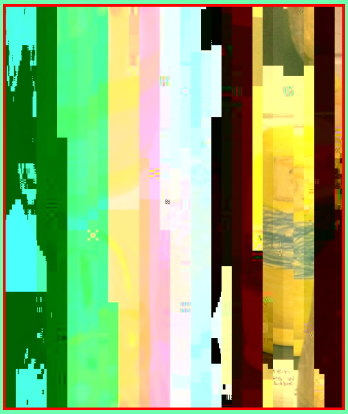


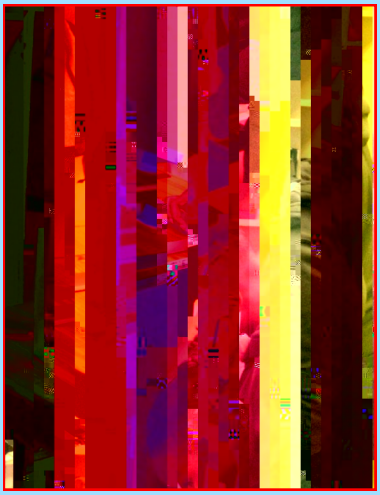
Second Graders practced their allitera ton skills by crea t ng fun and fantas t cal new favors like Pickle Peach Popcorn and Banana B ll o È ll col Ɛ 1

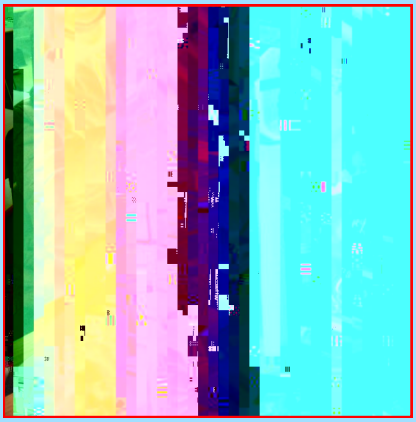


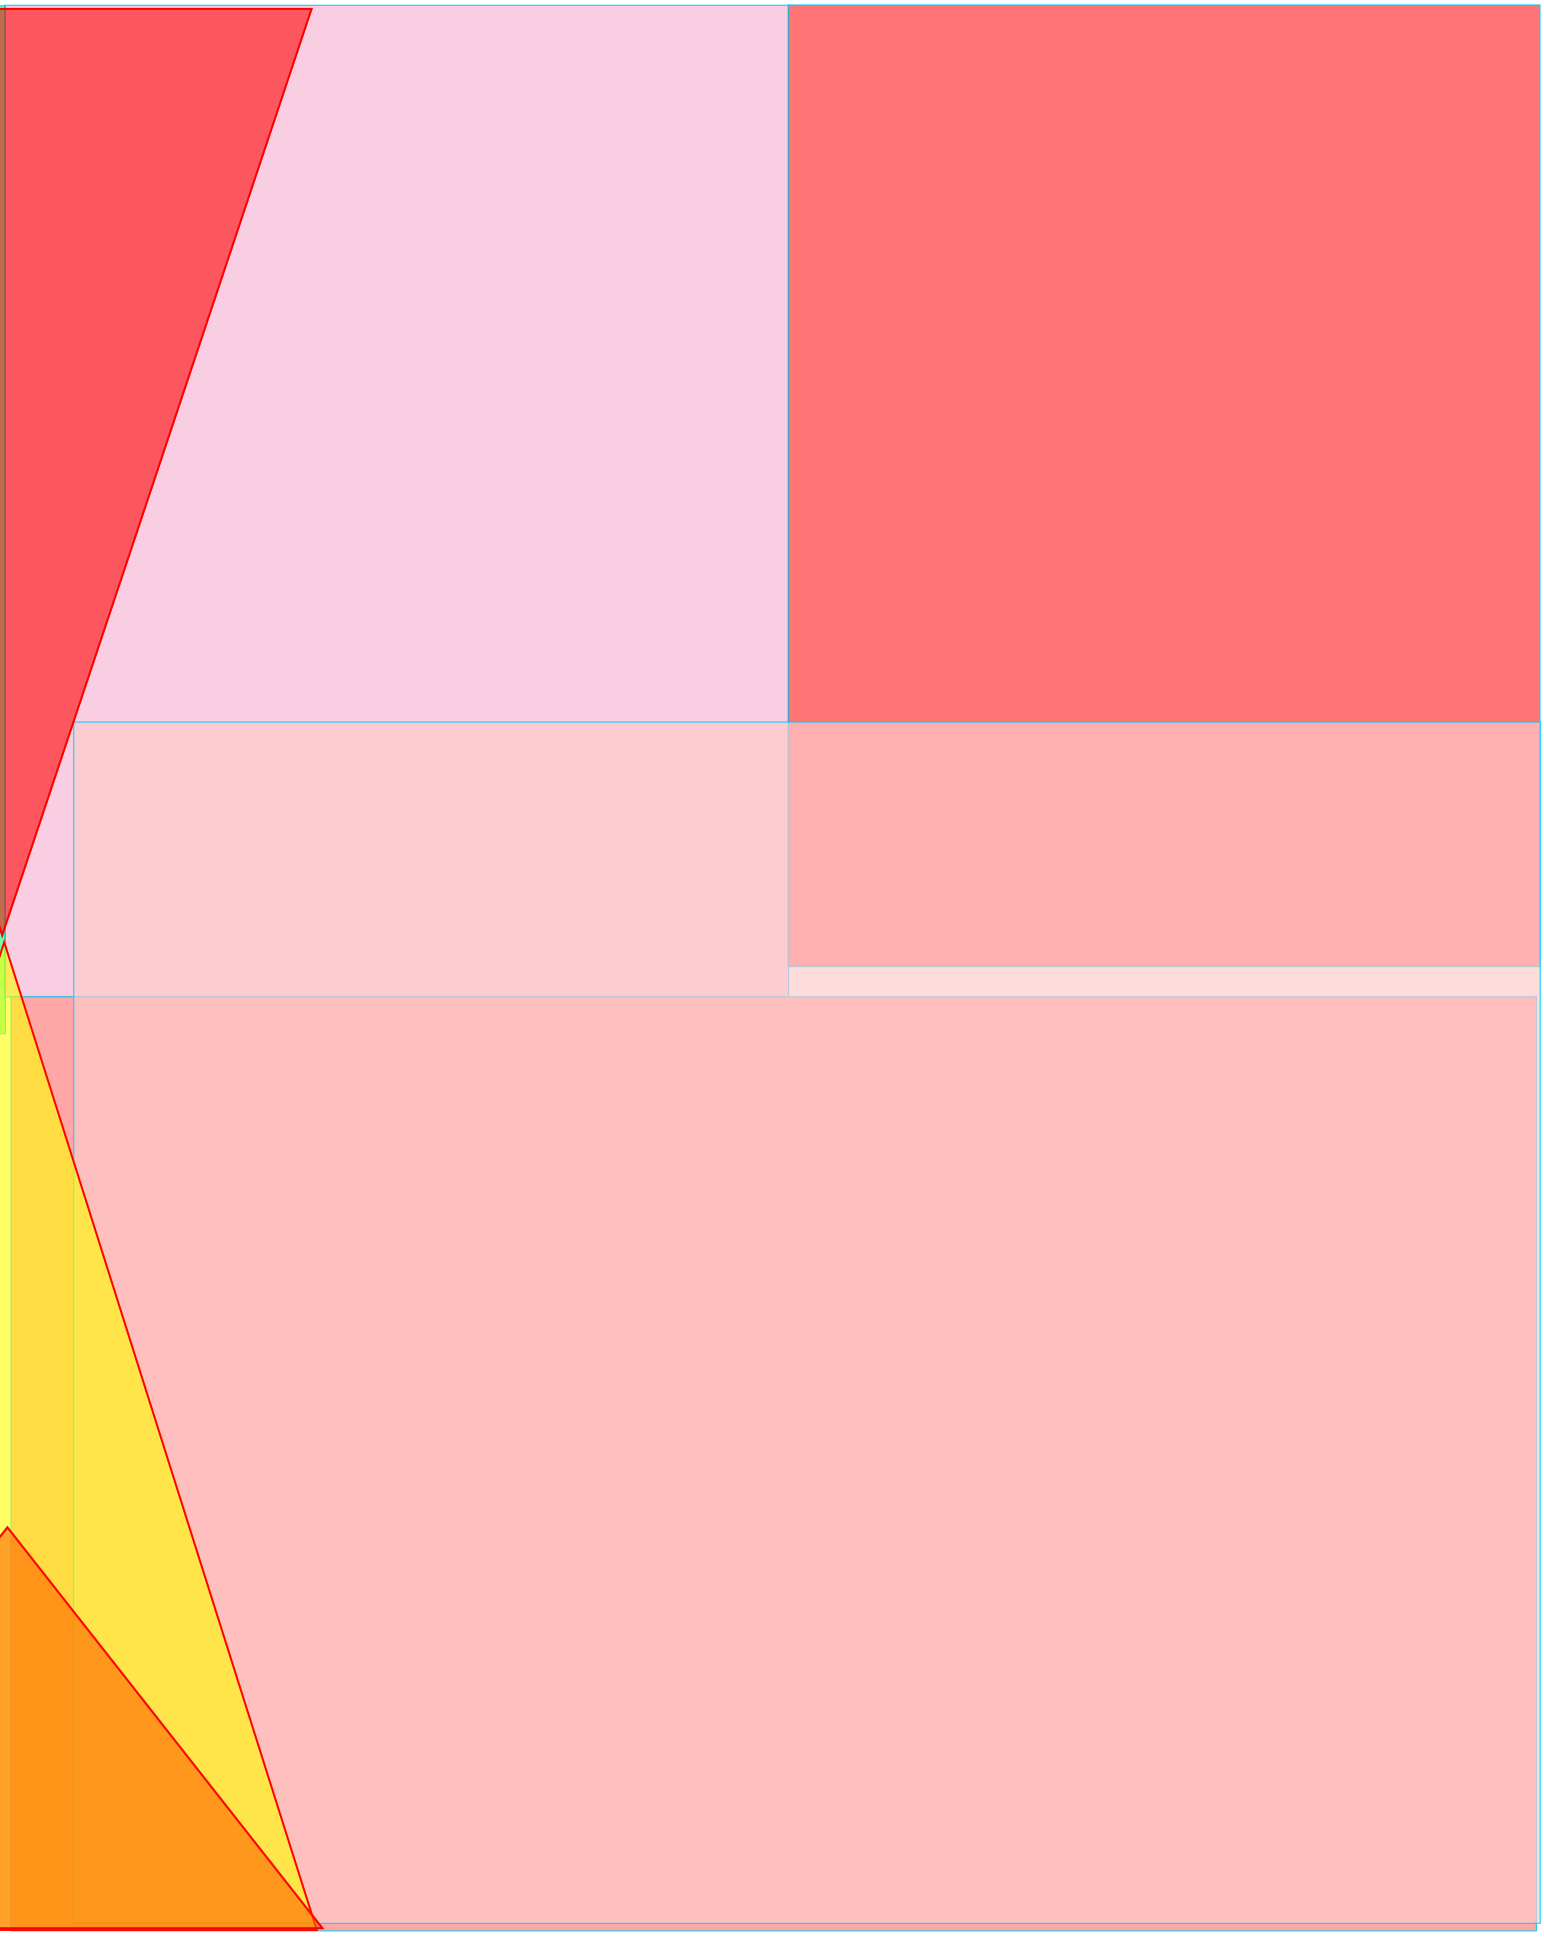












In wri t ng, fourth graders explore the strategy of "Cause and Efect," looking closely at the ways the Covid virus has a fected our world. In math, they create expanded artworks in the style of Jasper Johns to demonstrate a full mul t plica t on problem.
